DESCRIPTION

Revenue Bonds

This project provides for the design and construction of 1,200 additional garaged parking spaces at the Glenmont Metrorail Station on the west side of Georgia Avenue.

ANNUAL OPERATING BUDGET IMPACT (\$000)

2,540

0

0

0

Service Area

Kensington-Wheaton

JUSTIFICATION

The County's 10-Year Transportation Plan calls for the expansion of the existing Glenmont Metro Garage. The existing garage is regularly over capacity early on weekday mornings. By expanding parking at the station, more potential transit riders will be drawn to use Metrorail rather than driving to Washington, D.C. and to Silver Spring.

Plans and Studies

WMATA has prepared traffic and environmental studies for the parking expansion as well as General Plans. The WMATA Compact Public Hearing was held on April 26, 2006. Plans incorporate the Georgia Avenue Greenway, ADA requirements, and pedestrian safety.

Cost Change

Increase due to funding the construction of the garage.

7,375

STATUS

Planning Stage

OTHER

The full cost of this project is approximately \$18.7 million. The Maryland Department of Transportation has contributed \$1.6 million for the design of this garage, which is not reflected in the expenditure and funding schedules. The project will be designed and constructed by WMATA.
